## WHAT'S NEW FOR 2021

This section summarises major changes to the brass discipline for 2021. *Any changes from last year's Syllabus are shown in red text.*

### CLASS ADJUSTMENTS

- **Classes do not qualify for specific Provincials classes; a participant in any competitive class performing appropriate repertoire can be recommended.**
- Ensemble classes have been grouped together with other classes at their level (junior, senior, etc.).
- Some time limits have been adjusted, especially in elementary and junior-level classes.
- Accompaniment is now permitted in ensemble classes generally.
- Due to lack of registrations over several years, the secondary school classes have been removed from the syllabus for the time being.
- Skills classes are temporarily suspended due to the difficulty of undertaking them in a virtual Festival format.

## REGISTRATION & PERFORMANCE PROCEDURES

The following are registration and performance procedures specific to the brass discipline. Please review and observe these procedures when registering for a brass class or when performing in one. **Please be sure to carefully review the Festival Rules and Regulations and Video Submission Requirements for generally applicable rules.**

- **SCHOLARSHIPS:** In order to qualify for a brass discipline scholarship of over \$100, you must be registered in at least one competitive ("C") section of a brass performance class. If you are registered in multiple classes, the Festival will take your registration and performance in skills classes into account when awarding scholarships.
- **PROVINCIALS:** Brass solo performers interested in participating in the Provincial Festival should consult the [Provincial syllabus](#) for all submission requirements and deadlines, once information for the 2021 Provincial Festival is available.

## BRASS CLASS SUMMARY

Each class' entry includes its class name and number, registration fee, and any other requirements specific to that class. The following are general requirements for classes in this discipline. They are summarised here to reduce duplication throughout the class entries.

### CONSERVATORY LEVEL REQUIREMENTS

Brass classes are organised into categories based on the Conservatory level or grade performers in those classes have achieved.

- **Junior:** Preparatory levels and Conservatory grades/levels 1 through 4, inclusive.
- **Intermediate:** Conservatory grades/levels 5 to 8.
- **Senior:** Conservatory grades/levels 9 and 10.
- **Advanced:** Conservatory ARCT/diploma level.
- **Open:** Any brass performer or ensemble may enter Open-level classes. They must be prepared to perform repertoire at an advanced level of difficulty (i.e. ARCT/diploma level and beyond).

### INSTRUMENTATION

Each brass class is restricted to a specific instrument or set of instruments.

- If a class specifies individual instruments, such as "trumpet" or "tuba", only solo performers of those instruments may enter that class.
- If a class specifies "brass instrument", any solo performer of any brass instrument may enter that class.
- If a class specifies "brass ensemble", any brass ensemble may enter that class.
- Classes for baritones and euphoniums have been renamed as baritone classes for concision; however, euphonium performers may still register in such classes.

### ENSEMBLE CLASSES

- Ensemble classes in this discipline do not qualify for Provincials. Ensembles interested in Provincials must enter classes in the **Chamber Music** discipline.
- **Brass ensemble** classes are for ensembles consisting primarily of brass instruments in any combination.
- **Ensemble classes may be accompanied by a piano or keyboard; the accompanist may be professional or amateur, except in select classes described below.**

# Ottawa Kiwanis Music Festival (National Capital Region) – 2020 Festival Syllabus

---

- **Mixed-instrument ensemble** classes are for ensembles of any instrumentation including **at least one** brass instrument. Registering in this class entails performing during brass class sessions for the brass adjudicator, which may affect the adjudication given to other instruments in the ensemble. Any piano or keyboard part in these classes **must** be performed by an amateur participant.

## SKILLS CLASSES

Due to the virtual Festival format, skills classes will not be offered in this discipline in 2021.

## AWARDS AND RECOMMENDATIONS

Participants in competitive classes are eligible for Festival awards and recommendations.

- A minimum mark of **85** is required to qualify for a trophy.
- First place in a class, including first place overall in a split class, is also required to qualify for any **Performance** trophy.
- A minimum mark of **85** is required to qualify for recommendation to Provincials.
- A minimum mark of **80** is required to qualify for a scholarship.
- A performer or ensemble that is **disqualified** in their class will not be eligible for any trophy or recommendation in that class, although they may be in other classes.

## BRASS REPERTOIRE

---

Each class in this discipline specifies, in its class description, the quantity of repertoire selections required, as well as the nature of these selections (**Conservatory** or **Own Choice**, style, instrumentation, etc.). Unless a class' own requirements specify otherwise, general rules for repertoire selections in this discipline are as follows.

- If a class requires the performance of multiple selections, they must be distinct from one another in style, mood, tempo, etc.
- If a class allows multiple movements of a larger work within a single selection, they must be distinct from one another in a similar fashion.
- When in doubt, the adjudicator's decision on the difficulty level of a selection, or on its suitability for a class, is **final**.

## CONSERVATORY SELECTIONS

- Any **Conservatory** selection **must** be drawn from a Conservatory (RCM or Conservatory Canada) repertoire list, and must match the Conservatory grade/level specified by the class. If the class specifies an individual list from that level, the selection must be drawn only from that list.
- You **must** perform the specified edition, if any, and the specified movements, if any, from the Conservatory repertoire list.
- If the Conservatory list allows a choice of movements to perform, you must specify which movements you will be performing.

## OWN CHOICE SELECTIONS

- Any **Own Choice** selection must be of a level of difficulty approximately equivalent to the Conservatory grade/level specified by the class, although it need not be drawn from a Conservatory repertoire list.
- Any **Own Choice** selection that is a movement of a concerto or sonata for brass instrument, or an entire such work, may **only** be performed in the classes for concerto and sonata repertoire.
- In **junior** and **intermediate** classes allowing Own Choice repertoire, a single movement of a larger multi-movement work counts as a single selection. However, up to three very short pieces (less than 1½ minutes each) that are all part of the same larger work may be considered to be a single selection.
- In **senior**, **advanced**, and **open** classes allowing Own Choice repertoire, multiple movements of a larger multi-movement work may be performed as a single selection, subject to the constraints on concerto or sonata repertoire described above.
- Solo performers may **not** perform **Own Choice** repertoire in popular idioms except in specific classes allowing same.

## REPERTOIRE IN SPECIALTY CLASSES

- **CONCERTO CLASSES:** Repertoire in these classes may consist of concertos or related works such as concertinos or other concerted works for solo brass instrument and orchestra. When performing **Own Choice** repertoire in such a class, you may perform either the specified number of movements, or an entire shorter work if it can be performed within the class' specified time limit.
- **SONATA CLASSES:** Repertoire in these classes may consist of sonatas or related works such as sonatinas. When performing **Own Choice** repertoire in such a class, you may perform either the specified number of movements, or an entire shorter work if it can be performed within the class' specified time limit.

## BRASS TROPHIES

The following are the trophies awarded in this discipline.

## MUSICIANSHIP TROPHIES

**Musicianship** trophies are awarded at the adjudicator's discretion to any performer who meets the minimum trophy marks requirements.

- **OTTAWA YOUTH MUSIC TROPHY:** Awarded to a solo performer at the end of the final qualifying class of this discipline.

## PERFORMANCE TROPHIES

**Performance** trophies are awarded to the eligible performer or ensemble with the highest marks and that meets the minimum trophy requirements.

- **CON BRIO TROPHY:** Awarded to the top-performing trumpet performer across all brass performance classes. This trophy is preferentially awarded to performers in brass secondary school classes.
- **OMAR G. ARMSTRONG TROPHY:** Awarded to the top-performing performer in a junior level performance class.
- **BURKHOLDER TROPHY:** Awarded to the top-performing performer in an intermediate level performance class.

## ENSEMBLE PERFORMANCE TROPHIES

- **OTTAWA TEMPLE CHOIR TROPHY:** Awarded to the overall top-performing brass or woodwind small ensemble in a senior or open level class. **This trophy is shared with the Chamber Music and Woodwinds disciplines.**

# BRASS CLASSES
