Due date for solo registrations:

Late registrations will **not** be accepted.

Due date for ensemble registrations:

Friday, January 19, 2024

Late registrations will **not** be accepted.

WHAT'S NEW FOR 2024

This section summarises major changes to this discipline for 2024.

- Ensemble classes are being reorganised to allow greater compatibility with Provincials classes. Strings ensembles larger than trios that are interested in performing at Provincials should review classes in the Chamber Music & Small Ensembles discipline.
- The playoff trophies are being redesignated as invitational trophies to improve compatibility with intended limits on the number of performers eligible to take part in the playoff.

IMPORTANT DEFINITIONS

For the purpose of this Festival, a **string instrument** is any type of violin, viola, cello (violoncello) or double bass. Any other instrument qualifies as a string instrument at the adjudicator's sole discretion.

STRINGS RULES & REGULATIONS

These are the rules & regulations specific to the Strings discipline. **Please be sure to also carefully review the Festival Rules and Regulations for generally applicable rules.**

- **GRADE/LEVEL/AGE REQUIREMENTS:** Solo and ensemble classes, excluding popular music or adult classes, are sorted by Conservatory grade of the performer. Adult classes and popular music classes are sorted by age of the performer.
- **INSTRUMENTATION:** Each class in this discipline specifies the instrument or instruments that may enter that class. If a class specifies a specific instrument, only performers of that instrument may enter that class. Only violin or viola performers may enter an **upper strings** class, and only cello or double bass performers may enter a **lower strings** class. If a class specifies **strings** with no other reference to instrumentation, any solo strings performer may enter that class.
- **DUET/TRIO CLASSES:** These classes permit duets or trios consisting entirely of string instruments and **mixed** duets or trios (any duet or trio including at least one string instrument). Duets and trios may be accompanied or unaccompanied. Adult and child and teacher and child ensembles are permitted in classes for **adult** duets or trios.
- **ENSEMBLE CLASSES:** Ensemble classes are for ensembles of four or more performers. They otherwise follow the same rules as duet/trio classes.
- **SKILLS CLASSES:** An accompanist is not required for sight reading classes; but **is** required for quick study classes.

REPERTOIRE

Each class in this discipline specifies the quantity and nature of repertoire selections required for that class in its description. Each selection must follow the rules for its type (**Conservatory**, etc.) as described in the Festival Rules & Regulations. Unless specified otherwise, general rules for repertoire selections in this discipline are as follows:

- Any selection must be of a level of difficulty matching the class's grade, even if it is not a **Conservatory** selection.
- Multiple selections must be **contrasting** – distinct from one another in style, mood, tempo, etc.
- **CONCERT GROUP CLASSES:** Performers in a concert group class may include:
 - Up to one unaccompanied selection.

National Capital Region Music Festival Syllabus

- Up to one selection of the next higher grade/level. (For instance, a performer in a grade 1 concert group could include one grade 2 piece, and a performer in a grade 10 concert group could include one ARCT piece.)
- **MULTI-MOVEMENT WORKS:** When performing **Own Choice** repertoire, you may perform a single movement of a multi-movement work as a single selection, or you may combine movements of such works based on the level/grade of the class, as described below. Multiple movements performed together should also be contrasting.
 - **Level/Grade 8 or Below (including Adult Classes):** Two movements whose combined duration is no more than five (5) minutes qualifies as a single repertoire selection.
 - **Level/Grade 9 and Above (including Open Classes):** Any number of movements qualifies as a single selection.
- **CONCERTOS:** A **concerto** selection consists of one or more movements from a concerto or related work – that is, a concerted work for solo instrument and accompanying orchestra. A reduction of the orchestra accompaniment must be performed by a piano accompanist. A concerto selection may only be performed in specific classes for concerto repertoire. When performing an **Own Choice** concerto selection, you may perform either the specified number of movements or an entire work that can be performed within the class time limit.
- **SONATAS:** A **sonata** selection consists of one or more movements from a sonata or related work (sonatina, etc.). These selections may only be performed in specific classes for sonata repertoire. When performing an **Own Choice** sonata selection, you may perform either the specified number of movements or an entire work that can be performed within the class time limit.
- **UNACCOMPANIED REPERTOIRE:** String performers may perform unaccompanied repertoire in their concert repertoire classes, unless there is a class specifically for unaccompanied repertoire at their grade, in which case they may only perform such repertoire in that class except as noted above.
- **ORCHESTRAL EXCERPTS:** String performers may perform orchestral excerpts in the designated classes.
- **POPULAR MUSIC:** Repertoire from popular idioms or genres is permitted only in popular music classes for solo performers, in popular duet/trio classes, or in classes for larger brass ensembles. A popular selection must be written specifically for brass instruments or be an arrangement for brass instruments of a commercial popular work.
- When in doubt, the adjudicator's decision on the difficulty level of a selection, or on its suitability for a class, is **final**.

AWARDS AND RECOMMENDATIONS

Solo and ensemble participants in competitive classes are eligible for Festival awards and recommendations.

- A minimum mark of **87** is required to qualify for a trophy.
- A minimum mark of **85** is required to qualify for a recommendation to Provincials.
- A minimum mark of **80** is required to qualify for a scholarship.
- **SCHOLARSHIPS:** In order to qualify for a scholarship of \$100 or more in this discipline, you must be registered in at least **three (3)** competitive performance classes, or in at least two such classes and in **one (1)** skills class. A concerto or concert group class counts as two classes for this purpose.
